## Kurt Bergmire, RPSGT

*Director of Operations*

Kurt Bergmire is the Director of Operations for The Clinics at Clayton Sleep Institute, providing orientation, training and in-service instruction for CSI registered technicians as well as mentors new technical staff. He oversees clinic policies and procedures and ensures that CSI incorporates technological advances to stay current with the best practices in sleep testing. In addition, Bergmire functions as a 'sleep educator' in conjunction with CSI physicians and clinicians to help inform patients of preliminary results and discuss potential treatment options.

Kurt joined Clayton Sleep Institute in 2005, serving in a range of technical roles, including Lead Technical Staff Coordinator. Kurt is a Registered Polysomnographic Technologist with the Board of Registered Polysomnographic Technologists and a Registered Sleep Technologist with the American Board of Sleep Medicine. Bergmire earned a Bachelor of Arts degree from University of Missouri-St. Louis and an Associate of Arts degree from Jefferson College, Hillsboro, Missouri.
